

LATIN AMERICA VIRTUAL STUDENT CONFERENCE

10–11 MARCH 2021

DELIVERED BY THE LATIN AMERICA
REGIONAL ADVISORY COMMITTEE

You are invited to attend!

Submit an abstract or come watch the work of your peers.

The 1st SEG LA RAC VSC is a free event organized by the Latin America Regional Advisory Committee. It provides a unique opportunity to learn how to write an abstract and develop presentation skills while networking with international students.

About the Event

- A 2 days virtual conference for Latin American students;
- Final year undergraduate, Masters & PhD students;
- 15-minute presentations + 3-5 minutes Q&A;
- Abstracts and presentations in English;
- Platform: Zoom Cloud Meetings.
